### **DOWNLOAD, PRINT, FILL OUT AND ENCLOSE THIS FORM WITH YOUR JOB**

We require a copy of your current driver's license or your your dealer's FFL to be included with any firearm that was made after 1898 that is sent to Wyoming Armory. The ATF defines firearm as the part that has the serial number on it or the receiver of a firearm even if it does not have a serial number, even if no other parts are attached to it.

ATF regulations state that we must return the firearm to the person or FFL dealer who sent it to us.

Note that it is legal for an individual without a FFL to ship a long gun through the United States Postal Service. We prefer to use USPS Priority Mail for return shipments.

The least expensive way to ship a handgun to us and for us to return it is by USPS Priority Mail but, **IT IS ILLEGAL FOR AN INDIVIDUAL WITHOUT A DEALER FFL TO SHIP A HANDGUN THROUGH THE MAIL.** (Note that the ATF defines a handgun as the part that the serial number is on which means that just the frame without any other parts attached is still a handgun.) We recommend that you have your local FFL dealer do the shipping and receiving. Ask your FFL dealer to email us a request for a copy of our FFL which is required for shipping your firearm to Wyoming Armory. If you decide to ship the handgun directly to us, you can do so by United Parcel Service (UPS) or FedEx. Both require Next Day delivery and require us to return it by Next Day delivery. If you ship it directly to us, **YOU ARE REQUIRED TO INCLUDE A COPY OF YOUR CURRENT DRIVER'S LICENSE.**

If you have any questions, please contact us prior to shipping your firearm.
